Updated 3-19-18

These rules are property of Tomahawk Speedway. The guidelines and/or regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for such events. These guidelines shall govern the condition of events and participation therein. They are intended as a guide for the conduct of events and are in no way a guarantee against injury or death to a participant, spectator, or official. The Tech Director, or the management, shall be empowered to permit minor deviation from any of the guidelines and or regulations herein, or impose any further restriction, which, in his or her opinion, does not alter the purpose of the organization. Deviation of these guidelines and or regulations will be the responsibility of The Speedway officials, whose decisions are final. The Speedway may at any time out law any engine, chassis, or body part that may be too costly for pure stock racing. Our goal is to keep short track racing as affordable as we can. All cars and drivers must have car and driver data sheet on file with Tech Director before the car is allowed on track. Any car or part maybe held for examination at any time. Minimum age for driver is 14. Must have proper wavers and forms on file with track management

RULES

The intent of this rules package is to allow a driver who competes with WISSOTA/IMCA/USRA to be able to race at Tomahawk Speedway under the rules package they declare when they register for competition at Tomahawk Speedway.

If you declare "WISSOTA" your car must fit "their" current rules package.

If you declare "IMCA" your car must fit "their" current rules package.

If you declare "USRA" your car must fit "their" current rules package.

If we find that anybody has what we deem as an unfair advantage, we reserve the right to amend the above rules.

Please also remember we take pride in our race track and drivers. Please provide us with a clean nice looking car for our fans. We are here to put on a show. If we all work at it...it will only be better for all.
